February 2001, Pages 102-103  
Texas Tasted Section

## **Wild-n-Tame Fish-n-Game Dishes**

**A HEALTHY DOSE OF HUMOR** is a standard component of my every-Thursday-evening-at-7:30 radio interviews with Steve Jr. "Junebug" Coffman and Egon Barthels on Victoria radio station KTXN 98.7FM Texas Radio ([www.Texasmix.com](http://www.Texasmix.com)).

So, it was with great anticipation that I prepared for a recent program, the topic of which was cooking wild game.

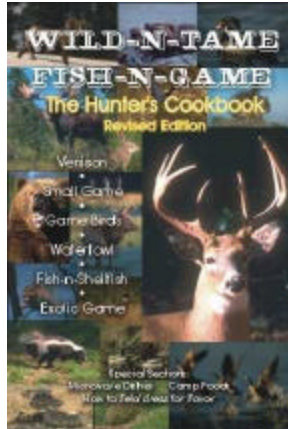

"Boys" I announced, "prepare to salivate. I've got a new cookbook in my hands called *"Wild-n-Tame Fish-n-Game: The Hunter's Cookbook"*, and you need to take notes.

"Page 78" I began. "Confederate Possum. Page 158: Fried Muskrat and--my favorite--Roast Skunk a la Rosemary".

The boys thought I was kidding. I wasn't. There are, however, some seriously good wild game recipes in this book, and we now proffer them with Cypress, Texas publisher Sid Moore's gracious permission.

### **Recipes that were listed:**

- **Wok Venison**
- **Grilled Marinated Breast of Duck**
- **Old Timer's Beer-n-Bream**

*Wild-n-Tame Fish-n-Game, a cookbook by Lynn Moore, is as entertaining as it is informative*

*--Larry Bozka*
